PAY BY PLATE PARKING

On behalf of AUT Millennium, we would like to advise you that paid parking will be implemented at our facility from Saturday the 3rd of February 2018.

Our decision to introduce paid parking will help to address congestion, reduce unauthorised local business use and improve our facility in years to come.

Please see below an overview of changes to our car parking.

When will paid parking start?

Saturday 3rd February 2018

How much will it cost to park?

Most car parks offer 90 minutes free with a cost of \$2.00 per hour thereafter.

A special parking rate will apply to AUT Millennium Gym members.

Flat day rate: \$10.00

How do I pay for parking?

Paying for parking is easy, simply follow the instructions outlined on one of the six machines located around the car park and at the facility. You will need to enter your number plate details before selecting the amount of time needed.

Credit or Debit cards can be used at all machines. For all cash or EFTPOS payments

there will be two machines located at the entrance to the National Aquatic Centre and AUT Millennium main facility.

What are the hours of operation?

7:00am - 6:00pm, Monday - Sunday. All parking outside these hours will be free.

Do I have to enter my number plate details?

YES. Even if you are parking during the free 90 minute period, you will need to enter your number plate details. Cars who are parked and have not registered at a payment machine will be issued with a breach notice.

What happens if I don't enter my number plate details?

Users who do not enter their number plate details will be issued with warning. A breach notice will be issued to repeated infringements at a cost of \$65.00.

Is there reserved parking?

Yes. Please refer to the parking map on the back for reserved parking areas.

Can I get a receipt?

Yes. E-receipts will be available. Simply follow the instructions on the machine to receive a receipt.
